**TOWN OF NEW CASTLE, COLORADO**

# Town Administrator's Budget Message for 2024

---

**December 5, 2023**

To the Honorable Mayor Art Riddile, Town Council and New Castle Residents,

For the past several months, the Town Council and Town Staff have worked to review actual revenues and expenses for the fiscal year 2023. We have worked to understand trends in revenues and expenses that may influence future budget projections. We have contemplated short-term needs, long-term needs, and emergency reserve balances. Following the Town Council's input and recommendations staff is pleased to present the budget for the fiscal year 2024.

## **Historical Perspective**

As a Chartered Home Rule Town, which was originally incorporated in 1888, New Castle is governed by a Mayor and a six member Town Council. The Town Council is empowered to annually adopt and administer a budget in order to finance the government services listed below. The budget is organized on the basis of three types of funds which are:

**Proprietary** funds which include the Town's *Utility Fund* (Enterprise Fund). The purpose of this fund is to account for operations that are financed and operated in a manner similar to a private business enterprise. The intent of the New Castle *Utility Fund* is that the costs and expenses of providing goods or services to the general public on a continued basis will be financed or recovered primarily through user charges. The *Utility Fund* includes services such as water, sewer, and trash services which are billed directly to the user on a monthly basis.

**Fiduciary** funds which include the Town's Trust Funds and consist of the *Conservation Trust Fund* and the *Cemetery Trust Fund*. These funds account for assets held by the Town in a trustee capacity. The *Conservation Trust Fund* is funded by lottery proceeds and is designated for parks and recreational uses. The *Cemetery Fund* is funded by the proceeds of Cemetery Plot sales. This fund is used for the maintenance and operation of Highland Cemetery.

**Governmental** funds types which include New Castle's *General Fund*. The purpose of the General Fund is to account for all financial resources which are not accounted for in the Fiduciary and Proprietary Funds. These financial resources service the Town's obligations in areas of Public Safety, Streets, Maintenance, Economic Development, Health and Welfare, Parks and Recreation, Town Maintenance, Building and Planning, Finance, Municipal Court, Town sponsored events, Town Clerk and Recording, and Town Administration.

## **Message**

While significant inflation, climbing mortgage rates, labor shortages, rising housing costs and other negative economic factors persisted during 2023, New Castle managed to stay on course and largely meet or exceeded our 2023 budget goals. As with fiscal year 2022, New Castle continued to work hard to fill staff positions that

had been vacated due to retirements and natural staffing attrition. Despite an expressed interest in building, developers continued at a slower pace than anticipated due to rising costs and shortages of skilled labor. Town owned capital projects remained largely on track with welcomed assistance from partial grant funding, and the ability to cut costs by self-performing large segments of capital projects. Community engagement remained strong in 2023 as the Town was joined by partners, sponsors, and volunteers to provide recreational activities, town events, arts and enrichment programs, and growing numbers of outdoor activities and amenities.

***In the General Fund***, the 2024 Budget continues to improve the Town's unassigned reserve position by increasing reserves to \$2,490,994 which represents approximately six months of reserve funds. The 2024 Budget also continues to support long term capital projects by increasing the Long-Term Capital Reserves from \$400,000 to \$600,000.

Sales tax revenues remained strong in 2023 but forecasts are now showing signs of flattening when compared to the strong increases of 2021 and 2022. The 2024 Budget continues to forecast an increase in sales tax revenues over that of 2023, with a projected 4% increase over 2023 sales tax revenues. Mineral Lease Distribution and Severance Tax revenues for 2023 were significantly stronger than expected but remain difficult to forecast, projections for 2024 will remain somewhat lower than the actual revenue for 2023. Tobacco Tax revenues which began in 2021 have been decreasing slowly since 2022. The 2024 budget estimates \$342,000 in Tobacco Tax Revenues compared to a projected \$360,000 in 2023.

The 2024 budget continues to account for increased spending for capital projects. Street maintenance in 2024 will see a budget increase from \$240,000 to \$300,000 for items such as paving, chip seal and crack seal. The Town will be working with CDOT as they plan to install a roundabout at the intersection of Rt. 6 and Castle Valley Boulevard. Capital improvement projects remain a priority for the Town Council and the town remains committed to seeking grant funding assistance for these capital projects when possible.

Overall, new home construction in New Castle remained slow in 2023 with an estimated total of 6 to 8 new home permits issued. Despite the relatively light construction activity, New Castle forecasts that increased property values will result in an overall gain of approximately \$176,000 in Property Tax Revenues for 2024.

***In the Utility Fund***, the Town has worked to keep expenses under control, but rising inflation over the past few years has now threatened to surpass revenue levels. While the 2024 Utility Fund Budget currently shows a small surplus, Town Staff and Town Council anticipate that future rate increases may be needed to keep up with the rising costs of goods and services. Utility Fund projects for 2024 include the rebuilding of a Digester Blower Facility to update equipment, increase efficiency, and lower operational costs. Also planned for 2024 are improvements to the Town's Raw Water Distribution System which will help increase operational efficiency, reduce water loss, and help preserve valuable domestic water resources.

### **Looking Forward**

Current indications are that New Castle will continue to experience light to moderate growth of residential housing in 2024. In early 2023 the Town Council approved development in Lakota which over the next five to ten years is expected to yield up to 185 new housing units along with approximately 60,000 S.F. of mixed commercial use. Additionally in 2024, residential developers are expected to seek Town approval for added housing units in Castle Valley Ranch. Completion targets for these projects are yet to be determined. While continued growth is always a possibility, the town remains committed to retaining the charm, character, and livability that has always made New Castle an amazing place to call home.

Other projects include the partnering with Garfield County to install a High-Speed Broadband Distribution Facility, which will act as a central location from which Internet Service Providers will be able to provide competitively priced high-speed internet options for town and county residents.

## **Conclusion**

During the past few years New Castle has experienced high inflation, swiftly rising housing costs, labor shortages, high construction costs, rising operational costs, and other challenges that were not in place prior to the COVID pandemic. Despite these challenges, New Castle has been able to maintain or in some cases expand on its' services and commitment to the community. New Castle remains committed to being fiscally responsible, forward-thinking, and protective of our strong community values. We understand why residents choose to call New Castle their home and stand determined to manage the town's finances and resources in the best interest of those that we serve.
