2014 BUDGET MESSAGE

The Town of New Castle, Colorado, was incorporated on February 2, 1888. On January 12, 1999, New Castle voters adopted a Home Rule Charter for the Town. A Mayor and 6-member Town Council govern the Town. The Town provides services in the following areas: Building Inspections, Public Safety (Police), Street Maintenance, Water and Wastewater, Health and Welfare, Parks and Recreation, Cemetery, Town Maintenance, and Town Administration.

The Town Council is empowered to annually adopt and administer a budget in order to finance government services. The budget is organized on the basis of funds. These funds are self-balancing, and attempt to project all revenues and expenditures for the year.

There are three fund types in this budget format:

Governmental

General Fund – to account for all financial resources except those required to be accounted for in another fund.

Proprietary

Enterprise Fund – to account for operations that are financed and operated in a manner similar to private business enterprises – where the intent of the governing body is that the costs (expenses, including depreciation) of providing goods or services to the general public on a continuing basis be financed or recovered primarily through user charges. The Utility Fund (water, sewer, and trash services) is an enterprise fund.

Fiduciary

Trust Funds – to account for assets held by a government unit in a trustee capacity. The Conservation Trust Fund (lottery proceeds for parks and recreation) and the Cemetery Fund (for maintenance of Highland Cemetery) are trust funds.

The Town uses the accrual basis for budgeting its revenues and expenditures.

The downturn in the economy, which started in 2008/9, continues to impact the town's economy and municipal revenues. We are, however, beginning to see modest improvements in new construction and retail sales tax collections. New construction is limited, but moving in a positive direction. In 2014, residential building permits were issued for 16 new house starts – single family and multi-family – this is up from three new starts in 2013. Commercial building permits were limited to two remodels – a Nail Salon and office space. In 2014, sales tax collections are up a promising 4.53% for the first 11 months of the year. The expected 12 month total for 2014 sales tax collections will be similar to that experienced in 2007 prior to the economic downturn. Mineral Leasing and Severance Tax direct distributions, which, in large part, are being used for General Fund operations, were up sharply in 2014, to a total of \$555,000. It is unknown if

this increase in revenue is due to market fundamentals or other conditions and as a result, Council is budgeting this category for about 50% of the 2014 total in 2015.

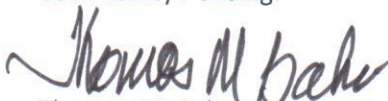

Property values in New Castle are reassessed every two years. The 2011 reassessment resulted in a 30% reduction in property values town-wide and in 2013 the reassessment resulted in another 30% reduction in property values town-wide. In total, from 2011 to the present, New Castle has experienced a 51% reduction in residential property values and a corresponding reduction in property tax revenues for town services. In 2015, due to the two year reassessment cycle, property tax collection will be similar to those in 2014. Staff expects that current reassessment, which will be calculated in 2015, will result in higher property values and higher property tax collections in 2016 and 2017.

Staffing levels have changed slightly. One full-time position was added in Public Works in recognition of the added work for this department with community events and new infrastructure – Flat Tops pedestrian bridge and Talbott trail (1.8 miles long). Also, we have increased administrative staff by ½ FTE and reorganized human resources, finance, clerk and administrative assistant duties.

In 2014 two significant capital projects were completed: the Flat Tops pedestrian bridge spanning the railroad tracks, Interstate 70 and the Colorado River (\$2.3M) and the 1.8 mile Talbott trail (\$900k). These projects were funded through a partnership of the Town of New Castle, Garfield Federal Mineral Lease District, the Colorado Department of Local Affairs, and the Garfield County Commissioners.

No utility rate increases in 2015 were deemed necessary to cover the costs of providing water and wastewater services to New Castle residents and businesses. Rate increases and cost cutting measures instituted the last few years appear sufficient to keep adequate reserves in the Town's Utility Fund. In 2014, Utility Tap Fee revenues were up significantly from a year ago to \$143,000. In 2015, the Town expects to apply for a Colorado Department of Local Affairs grant for water treatment plant improvements and raw water system delivery improvements. If successful, these capital improvements will be implemented in 2015 and 2016.

Town Council and staff are devoting significant resources to try to stimulate the local economy. These efforts include partnering with the Community Resource and Housing Development Corporation (CRHDC) to construct 37 units of means-tested senior housing (similar to the senior housing currently existing in New Castle). The Council has entered into a lease/purchase agreement with CRHDC. Council expects planning and financing requirements to be accomplished in 2015 and construction of this project in 2016. Council continues to pursue a strong Civic Engagement and Social Capital Development program, including Community Policing.
