2017 BUDGET MESSAGE

The Town of New Castle, Colorado, was incorporated on February 2, 1888. On January 12, 1999, New Castle voters adopted a Home Rule Charter for the Town. A Mayor and 6-member Town Council govern the Town. The Town provides services in the following areas: Building Inspections, Public Safety (Police), Street Maintenance, Water and Wastewater, Health and Welfare, Parks and Recreation, Cemetery, Town Maintenance, and Town Administration.

The Town Council is empowered to annually adopt and administer a budget in order to finance government services. The budget is organized on the basis of funds. These funds are self-balancing, and attempt to project all revenues and expenditures for the year.

There are three fund types in this budget format:

Governmental

General Fund – to account for all financial resources except those required to be accounted for in another fund.

Proprietary

Enterprise Fund – to account for operations that are financed and operated in a manner similar to private business enterprises – where the intent of the governing body is that the costs (expenses, including depreciation) of providing goods or services to the general public on a continuing basis be financed or recovered primarily through user charges. The Utility Fund (water, sewer, and trash services) is an enterprise fund.

Fiduciary

Trust Funds – to account for assets held by a government unit in a trustee capacity. The Conservation Trust Fund (lottery proceeds for parks and recreation) and the Cemetery Fund (for maintenance of Highland Cemetery) are trust funds.

The Town uses the accrual basis for budgeting its revenues and expenditures.

The downturn in the economy, which started in 2008/9, continues to impact the town's economy and municipal revenues. We are, however, beginning to see modest improvements in new construction and retail sales tax collections. New construction is limited, but moving in a positive direction. In 2016, residential building permits were issued for 30 new house starts – single family and multi-family. Commercial building permits are very modest. In total the town issued 91 building permits in 2016 compared to 58 in 2015. In 2017, the Town may issue over 75 building permits for new house starts. This is due to the 50 units of means-tested senior housing that will start in 2017. This project is a collaboration between the Town of New Castle and Community Resource and Housing Development, Inc., which has been in the planning stage for three years.

In 2016, sales tax collections are up a promising 4.16% for the first ten months of the year. The expected 12 month total for 2016 sales tax collections will likely be near that experienced in 2008, which will make 2016 New Castle's second highest sales tax collection year (2008 being modestly higher).

Mineral Leasing and Severance Tax direct distribution was down significantly and also more than expected. In 2015, direct distribution totaled \$447,000, in 2016, direct distribution totaled \$157,372, which was \$32,000 less than the projected budget amount. Oil and gas experts predict that these revenues will stay at 2016 levels for the next three years. In 2017, the Town budgeted \$140,000 for direct distribution.

Property values in New Castle are reassessed every two years. The 2011 reassessment resulted in a 30% reduction in property values town-wide and in 2013 the reassessment resulted in another 30% reduction in property values town-wide. In total, from 2011 to 2015, New Castle experienced a 51% reduction in property values and a corresponding reduction in property tax revenues for town services. The 2015 property reassessment charted a 26.5% increase in property values for New Castle. While this is a significant increase it was less than hoped for. Staff feels there is still significant upside in property values that will be realized in the 2017 reassessment.

In 2016, the Town completed the Streetscape Project (5th and 6th streets intersection with Main Street), which was started in the fall of 2015. This project was funded by the Garfield County Federal Mineral Lease District (GFMLD) and the Town of New Castle and is designed to improve the esthetics of the downtown and improve both pedestrian travel and parking on Main Street. The Water Treatment Plant expansion project began in 2016 and will be completed in 2017. The expansion is designed to increase the water plant's treatment capacity and chlorine contact time. This project is being funded by the Colorado Department of Local Affairs and the Town of New Castle. In 2016, the Town received a Colorado Parks and Wildlife grant for \$43,778 to plan the LoVa Trail from New Castle to Canyon Creek. The Town is a partner on this project and began work in 2016; planning work will be completed in 2017.

No utility rate increases in 2017 were deemed necessary to cover the costs of providing water and wastewater services to New Castle residents and businesses. Rate increases and cost cutting measures instituted the last few years appear sufficient to keep adequate reserves in the Town's Utility Fund. In 2016, Utility Tap Fee revenues were up from a year ago to \$193,000 (est.). The Town estimated Utility Tap Fee revenues of over \$700,000 in 2017, due in large part to the 50 unit senior housing project. In the next three to four years the Town anticipates two major utility infrastructure projects totaling \$3M – Raw Water Improvements (for raw water irrigation, which will reduce demand for treated water), and Southside Interceptor improvements.

In 2016, the Town's efforts to develop the Kuersten property as a Health and Wellness campus were unsuccessful due to our inability to secure an equity partner. However, the Town's efforts have raised awareness of the Kuersten property as a site for other development. Additionally, the Town is in discussions with a local landowner/developer and a human and social services provider to bring new businesses to New Castle.

Council continues to pursue a strong Civic Engagement and Social Capital Development program, including Community Policing.
