TOWN OF NEW CASTLE, COLORADO

Town Administrator's Budget Message for 2023

December 6, 2022

To the Honorable Mayor Art Riddile, Town Council and New Castle Residents,

For the past four months Town Council and Town Staff have worked together during publicly held workshops and Council sessions to review our actual revenues and expenses for fiscal year 2022, and establish budgeting projections for 2023. Based on Council's input and guidance, along with staff projections and recommendations, we are now pleased to present the budget for fiscal year 2023.

Historical Perspective

As a Chartered Home Rule Town, which was originally incorporated in 1888, New Castle is governed by a Mayor and a six member Town Council. The Town Council is empowered to annually adopt and administer a budget in order to finance the government services listed below. The budget is organized on the basis of three types of funds.

The three types of funds in this budget format are:

Proprietary funds which include the Town's *Utility Fund* (Enterprise Fund). The purpose of this fund is to account for operations that are financed and operated in a manner similar to a private business enterprise. The intent of the New Castle *Utility Fund* is that the costs and expenses of providing goods or services to the general public on a continued basis will be financed or recovered primarily through user charges. The *Utility Fund* includes services such as water, sewer, and trash services which are billed directly to the user on a monthly basis.

Fiduciary funds which include the Town's Trust Funds and consist of the *Conservation Trust Fund* and the *Cemetery Trust Fund*. These funds account for assets held by the Town in a trustee capacity. The *Conservation Trust Fund* is funded by lottery proceeds and is designated for parks and recreational uses. The *Cemetery Fund* is funded by the proceeds of Cemetery Plot sales. This fund is used for the maintenance and operation of Highland Cemetery.

Governmental funds types which include New Castle's *General Fund*. The purpose of the General Fund is to account for all financial resources which are not accounted for in the Fiduciary and Proprietary Funds. These financial resources service the Town's obligations in areas of Public Safety, Streets, Maintenance, Economic Development, Health and Welfare, Parks and Recreation, Town Maintenance, Building and Planning, Finance, Municipal Court, Town sponsored events, Town Clerk and Recording, and Town Administration.

Message

Following a year of economic uncertainty in the national economy, New Castle remained largely on track for matching our budgeted revenue and expense targets. As the nation experienced large increases in home mortgage rates, drops in the stock market, record inflation, and employment struggles for a wide range of employers, New Castle weathered the changing economy as well as could be expected. Struggles still remain in

filling vacant staff positions as qualified and interested job candidates remain hard to find. Large scale town projects continued in 2022 but were slowed due to lingering contractor labor shortages and supply chain delays. While staffing and labor shortages persisted throughout 2022, the Town was able to meet and exceed our revenue projections due to stronger than forecast sales tax income. Town staff, along with partner groups and generous sponsors, continued the tradition of providing numerous events and activities for our residents throughout 2022.

In the General Fund, Town Council once again worked to improve the Town's cash reserve position by increasing our targeted cash reserves to meet the Colorado Department of Local Affairs (DOLA) recommendation of five months of budgeted expenses. This action has increased our cash reserve balance from \$1.7 million in 2022 to \$1.9 million for 2023.

While retail sales tax revenues remained healthier than forecast for 2022, national predictions for a slowing economy in early 2023 have the town using a modest 3% sales tax revenue growth target for 2023. The town also remains cautious regarding other revenue sources such as Mineral Lease Distribution, Severance Tax, and Police Training Grants which remain difficult to forecast due to the uncertain economic forecasts. Tobacco tax revenues continue to show signs of slowing in 2022 and are expected to continue to decline in 2023, therefore the town has lowered its expectations for Tobacco Tax income for the upcoming year. In the area of property tax revenues, the value of homes in our area has seen a large increase in the past few years, but is now showing signs of slowing and perhaps leveling off. The town has seen an increase of approximately twenty new homes in 2022 that will add to the tax base for 2023. Despite the small increase in the total number of homes, and due to offsets caused by new state property taxing regulations (SB 22 -238), property tax revenues are budgeted to remain flat in 2023 and will be reassessed as rates and valuations are adjusted in 2024.

The 2022 budget accounted for sizable spending on capital projects which included major reconstruction of solid surface trails, large scale paving projects, significant street repairs (crack and chip seal), rebuilding of the Community Center kitchen, updated equipment, park maintenance, additional soft trails, and more. The 2023 budget continues the approach of investment in town assets and infrastructure as much as possible. The town will also continue its policy of pursuing grant funding to help offset direct project costs where possible.

In the Utility Fund, the Town continues its dedication to properly funding quality services to our community. In 2022 the town worked to improve operational efficiencies and control rising costs by partnering financially with the Federal Mineral Leasing District (FMLD) to construct a Bio-Solids Drying Facility. This facility is expected to reduce the amount of bio-solid waste produced at our Waste Water Treatment Plant, thereby helping to control costs and aid in our continued compliance with state regulations. In 2023 the Town will once again benefit from a partnership with Garfield County FMLD grant funding in order to rebuild our Digestor Blower Facility. This project is designed to address operational inefficiencies in dated equipment and controls, and is expected to yield overall savings in ongoing operational costs.

Looking Forward

Indications are that New Castle will continue to experience growth of residential housing in 2023. For 2023, staff has estimated the addition of approximately 22 new homes to be built on existing vacant lots. Staff is also working with developers who wish to pursue the development of larger tracks of private development property near the Lakota and Castle Valley Ranch neighborhoods. Staff is also forecasting the development of Mixed-use Zoned property in Lakota, which over the next several years, could lead to the development of commercial building in this area. It is important to note that interest rates, and market conditions, along with labor and materials availability may have a large impact on the timing of these projects.

2023 will once again be an active year for capital projects. The town has already secured \$225,000 in FMLD grant funding to assist with the above mentioned project at the Waste Water Treatment Plant, along with a project that will help improve security at various town owned facilities. Staff is working with Garfield County

on a DOLA grant funded project that will be the first step in providing improved highspeed internet options to residents throughout town. Staff will also be targeting street improvement projects, utility planning projects, and capital projects that are part of our overall *Capital Improvements Priority List*.

Town Council and staff remain committed in 2023 to supporting the livability, charm, and character of New Castle by providing excellent services, a variety of activities and events, attention to public safety and security, and ongoing monitoring of our financial position, forecasts, and goals.

Conclusion

While uncertainty concerning the state of the economy in 2023 remains high nationwide, New Castle stands committed to seeing that our community remains fiscally responsible, forward thinking, and protective of our strong community values. We are cognizant of why residents choose to call New Castle their home and stand determined to manage town finances and resources in the best interest of those that we serve.

Sincerely,

David Reynolds
