TOWN COUNCIL OF TOWN OF NEW CASTLE, COLORADO

Mayor Art Riddle

ATTEST:

Town Clerk Melody Harrison, CMC
7-PARTY MEMORANDUM OF UNDERSTANDING
REGARDING GARFIELD COUNTY SENIOR PROGRAMS
FOR 2023

This Memorandum of Understanding is entered into between:

The Garfield County Board of County Commissioners, ("BOCC")

The City of Rifle, Colorado,

The City of Glenwood Springs, Colorado,

The Town of Carbondale, Colorado,

The Town of New Castle, Colorado,

The Town of Silt, Colorado,

Roaring Fork Transportation Authority, ("RFTA")

(collectively, the "7-Parties") in order to set forth the terms and conditions of their cooperative provision, administration, and funding of a county-wide meal and transportation services for the Garfield County Senior Programs for calendar year 2023 (the "MOU"). This MOU is effective as of January 1, 2023, regardless of the dates on which it is signed.

BACKGROUND

A. Each of the 7-Parties is authorized to make the most efficient and effective use of their governmental powers, responsibilities, and monies by cooperating and contracting with other governments. Colo. Const. art. XIV §§ 18(2)(a) and (2)(b); Colorado Revised Statutes § 29-1-201.

B. In 2009, 9-Parties entered into an Intergovernmental Agreement to set forth the terms and conditions of their cooperative provision, administration, and funding of meal and transportation services to senior and disabled citizens of Garfield County ("the 9-Party MOU"). This 9-Party MOU is recorded in records of the Garfield County Clerk and Recorder at Reception No. 776142.

C. In accordance with the 9-Party MOU, in 2009 and each consecutive year thereafter, the now 7 parties have also entered into a Memorandum of Understanding that sets forth each party's annual commitment to share the administrative and operational costs of the Senior Programs meal and transportation services and determines the methodology by which those costs will be allocated among them (the "MOU").

D. In 2016, The Town of Parachute withdrew from membership and opted not to participate in the services provided by Garfield County Senior Programs in 2017. In 2017, it was determined that Colorado Mountain College no longer needs to be part of the MOU beginning 2019.

2023 7 Party MOU
E. Each of the remaining Parties desires to continue to provide meal and transportation services to eligible Garfield County senior citizens in 2023 in accordance with the original 9-Party MOU.

NOW, THEREFORE, for and in consideration of mutual covenants and agreements set forth below, the 7-Parties agree as follows:

**AGREEMENT**

1. **Incorporation of Recitals.** The foregoing Recitals are incorporated as if set forth in full.

2. **Purpose of this Agreement.** The purpose of this MOU is to define the terms and conditions by which the 7-Parties will collectively provide, administer and fund county-wide meal and transportation services for the Garfield County Senior Programs for calendar year 2023.

3. **Term of Agreement.** This Agreement shall have an Effective Date of January 1, 2023, regardless of the dates signed and shall terminate on December 31, 2023.

4. **Senior Services to be Provided.** The BOCC, through its Department of Human Services Senior Programs, will organize and administer the congregate meal and transportation services described in this MOU for eligible senior and disabled citizens of Garfield County on behalf of Rifle, Glenwood Springs, Carbondale, New Castle, Silt (collectively, the "Municipalities"). In exchange, the Municipalities will reimburse the BOCC for their proportionate shares of the cost of such services as calculated in accordance with the Cost Methodologies defined in this Agreement.

5. **Congregate Meal Services.** The BOCC and Municipalities agree that Senior Program meals will be provided at seven (7) locations throughout Garfield County on the days and times, and further agree that the costs to provide such services will be allocated among them as follows:

   a. **Cost Methodology - Nutrition:** The BOCC agrees to pay forty percent (40%) of total budgeted cost to provide Congregate Meal Services in 2023.

   b. The Municipalities each agree to pay a proportionate share of the remaining balance, less all anticipated grant and program funding income, based upon the percentage of total meals served between July 2021 and June 2022 to the residents of each Municipality. The BOCC agrees to be responsible for all meals served to residents of unaffiliated Garfield County and Battlement Mesa as well as any shortfall in grant and program funding income.
c. **Application of Cost Methodology to the 2023 Budget:** As illustrated in Attachment A, which is incorporated here for all purposes, the total budgeted cost to provide Congregate Meal Services in 2023 is $591,679.00. The BOCC's 40% share of that amount equals $236,671.60. Anticipated grant and program funding income for 2022 is $220,131.00. The remaining balance is $134,876.40.

6. **Transportation Services.** The BOCC, RFTA and Municipalities agree that Senior and Disabled transportation services funded by this Agreement are wheelchair accessible, curb to curb, driver assisted transportation services to assessed Garfield County residents who have difficulty utilizing public transportation and have an assessed functional disability affecting the ability to use public transportation. The Traveler provides transportation to destinations throughout Garfield County. In order to achieve the stated purpose, the BOCC specifically grants RFTA the authority to operate outside RFTA's boundaries and within the unincorporated boundaries of Garfield County, consistent with the provisions of C.R.S. § 43-4-605(1)(f) as required to comply with this IGA. Riders must make reservations 48 hours in advance. The cost to provide these transportation services will be shared by the BOCC, RFTA, and the Municipalities in accordance with the following Cost Methodology.

7. **Definitions:**

a. **Initial Pickup Location:** The initial pickup location for cost allocation purposes is the Municipality in which the first leg of a passenger's trip occurs, whether it is a round trip, a one-way trip, or a multi-legged trip. For example, if a passenger is picked up in municipality A to be transported to Municipality B and is later picked up in Municipality B for a return ride to Municipality A, the initial pickup location for cost allocation purposes is Municipality A for both trip legs.

b. **One-Way Passenger Trips:** This represents vehicles transporting passengers one way from their origins to their destinations on any leg of their trips. This does not mean round trips or vehicle trips, since more than one passenger can be riding on a vehicle at the same time resulting in “X” number of one-way passenger trips.

c. **Loaded Miles:** Loaded miles are the total distance driven while a passenger is in the vehicle.

2023 7 Party MOU
d. **Loaded Minutes**: Loaded minutes are the total duration of time while a passenger is in the vehicle.

8. **Cost Methodology — Transportation**

a. The BOCC agrees to be responsible for fifty percent (50%) of the total budgeted net County and RFTA expenses to provide Traveler Services in 2023. The remaining fifty percent is paid for by grant and program funding, a refund of 2021 excess revenue and allocated payments from the Municipalities based upon the fully allocated cost of providing services. Costs will be allocated to the Parties based on the total number of trips provided in each Jurisdiction, and total estimated Loaded Miles, and total estimated Loaded Minutes consumed by each Jurisdiction/Municipality. Costs will be considered allocable to a Jurisdiction/Municipality based upon the Initial Pickup Location as defined in Paragraph 7.a. herein, regardless of the number of trip legs or Jurisdictions/Municipalities visited by the passenger.

b. RFTA agrees to be responsible for the fully allocated net cost of the Traveler transportation services provided to the three Municipalities that are current RFTA members: the Town of Carbondale, the City of Glenwood Springs, and the Town of New Castle.

c. The remaining non-RFTA member Municipalities, the City of Rifle and the Town of Silt agree to pay the fully allocated net cost of Traveler transportation services allocable to their municipalities.

d. The BOCC agrees to be responsible for any remaining Traveler transportation service costs, including any shortfalls in anticipated grant and program funding income.

9. **2023 Budgeted Contributions**: As illustrated in Attachment B, the total budgeted cost to provide Senior and Disabled Transportation Services in 2023 is $776,380.00. This cost represents the costs to the BOCC and to RFTA to provide such services in the amounts of $35,357.00 and $771,023.00, respectively. This cost less the amount of $30,000.00 received by RFTA from other sources who utilize the Traveler bus system pursuant to a contractual agreement that is unrelated to this MOU, equals the net total County and RFTA expense for the Traveler transportation services in 2023 of $776,380.

The BOCC’s 50% share of this amount equals $331,757.00 plus the 2021 applied RFTA refund of $76,433.00 totals $388,190.00. Anticipated grant and program funding income for 2023 is $78,494.00. The total amount of the contribution from the County, including grants, program income and the 2021 refund is $466,684.00. Subject to the recommendation of the Senior Advisory Board and the approval of the BOCC, any year-end excess budget funds in 2021 may also be applied to the County’s contribution in 2023 for the Senior and Disabled Transportation Services budget. However, pursuant to the provisions of paragraph 13. **Annual Reconciliation and True-Up**, below, after 2023 there should not be any significant excess budget revenue to apply as a refund to a subsequent year’s County contribution.
10. **Allocation of County Contribution and Grant and Program Income**: The County’s contribution, inclusive of its 50% commitment and anticipated grant and program income, and the 2021 excess revenue refund, shall be allocated first to the cost of rides originating in unincorporated Garfield County. Any remaining balance shall be allocated on a pro rata basis relative to each other party’s fully allocated cost.

11. **Estimated Contributions**: On the Chart below, the following estimates are offered to aid the Municipalities in planning and budgeting for their portion of the 2023 Traveler transportation services costs. The amounts shown are based on the 2023 budgeted amounts identified above and a forecast of ridership and services levels for 2023.

12. **Monthly Billing**: RFTA will pay directly for the fully allocated net costs attributable to its member jurisdictions and each of the remaining Parties will pay the County the amount shown on their respective lines in the Chart above.

13. **Annual Reconciliation & True-up**: No later than February 15, 2024 RFTA will publish a reconciliation statement. Actual expenditures for the year will be allocated based on the actual trips, and estimated loaded miles and loaded minutes provided to the Parties in 2023. If the total fully allocated net costs calculated for any Party during the preceding year exceeds the amount paid by the Party during the preceding year, a reconciliation credit or debit in the amount of the difference will be made for each such Party by the County. If a credit is due, RFTA will pay back to the County the amount it has been overpaid by the County for any Party or Parties within 30-days of the reconciliation statement. If a debit is owed, the Party or Parties owing the debit will pay the County the amount owed within 30 days of the reconciliation statement, and the County will remit any additional payments received and owed to RFTA within 30 days of receipt of the Party or Party’s debit payment(s) to the County.

14. **County Payments to RFTA for the Traveler Program**: The amount to be paid by the BOCC to RFTA in 2023 for the provision of the Traveler Transportation Services contemplated by this Agreement is Five Hundred Sixty-Eight Thousand, One Hundred Thirty-Three Dollars ($568,133.00). This amount is based upon RFTA’s estimated cost to provide the services in 2023.
($771,023.00) less amounts received by RFTA from other sources who utilize the Traveler bus system ($30,000.00) and less the cost to provide such services to the Town of Carbondale ($2,949.00), the City of Glenwood Springs ($124,377.00), and the Town of New Castle ($45,564.00), each of which is a member of RFTA. Amounts are projected and should the actual cost exceed the budgeted costs, these funds will be paid through the Restricted Fund Balance/The Traveler, and reimbursed at year end by following the Annual Reconciliation and True-Up procedures described in Paragraph 13., above.

a. **RFTA’s Estimated Cost:** The Parties recognize that RFTA’s estimate of its costs to provide Traveler services is solely RFTA’s responsibility; the BOCC is not responsible in any way for verifying or assuring the accuracy of RFTA’s calculation. For 2023, RFTA estimates that it’s cost to provide these services is $771,023.00.

b. **Other Traveler Services:** The Parties recognize that RFTA’s operation of the Traveler by means of this MOU does not include funding for ADA complementary paratransit services in the City of Glenwood Springs. Funding for this complementary paratransit service is provided by a separate contract between the City of Glenwood Springs and RFTA, which RFTA represents to be $30,000.00 for 2023.

c. **Payment:** The BOCC and RFTA have entered into a separate intergovernmental agreement pursuant to which the BOCC agrees to pay RFTA the total amount of $568,133.00 in eleven (11) monthly payments of $47,344.42 and one monthly payment of $47,344.38 for Senior and Disabled Transportation Services (the “Traveler IGA”). This amount represents RFTA’s estimated cost to provide such services in 2023 less amounts received by RFTA from other sources and less the cost to provide such services to the RFTA Member Municipalities identified with an asterisk above. The non-RFTA member Municipalities agree to pay the respective amounts set forth above upon receipt of an invoice from the BOCC.

d. **Appropriation:** This MOU is expressly contingent upon appropriation and budgeting for the costs required herein. If any Municipality, including RFTA on behalf of its member jurisdiction Municipalities, fails to appropriate or have available sufficient funds to pay for the costs of the obligations set forth in this MOU, services to residents of the failing Municipality shall end. The attached budget was adopted by the RFTA Board on December 8, 2022 and is considered final. If the actual cost of the Traveler program exceeds the amount set forth in this MOU, the additional cost will be covered through the Restricted Fund Balance/The Traveler, which would then be reimbursed at year end by following the Annual Reconciliation and True-Up Procedures described in Paragraph 13., above.

e. **COVID 19 Accommodations:** Traveler services will be adjusted because of Governor orders or Public Health recommendations.

2023 7 Party MOU
15. **Combined Costs:** The combined cost for 2023 Congregate Meal, Well and Wise, and Traveler Transportation Service are set forth on Attachment C.

16. **Whole Agreement:** This MOU sets forth the whole agreement of the Parties. No representation, either verbal or written, shall be considered binding to the extent it is not set forth herein.

17. **Amendment and Assignment.** This MOU may be amended, altered, or modified solely through a written agreement executed with equal formality. This MOU may not be assigned by any Party without the written agreement of all.

18. **Facsimiles and Counterparts.** This MOU and all documents required for performance may be signed in counterparts. Facsimile signatures may be substituted for originals on such documents.

19. **Authority.** Each person signing this MOU represents and warrants that said person is fully authorized to enter into and execute this document and bind the Party represented.

20. **Governing Law.** The laws of the State of Colorado shall govern the validity, performance, and enforcement of this MOU. Venue for any action instituted pursuant to this MOU shall lie in Garfield County.

INTERGOVERNMENTAL AGREEMENT
FOR GARFIELD COUNTY SENIOR PROGRAMS
TRAVELER SERVICES - 2023

This Intergovernmental Agreement is made by and between the Garfield County Board of County Commissioners, State of Colorado, a statutory county ("BOCC"), sitting as the BOCC and as the Board of Social Services, and the Roaring Fork Transportation Authority, a regional transportation authority ("RFTA"), in order to set forth the terms and conditions of county-wide transportation services for the Garfield County Senior Programs for calendar year 2023 (the "IGA" or "Agreement"). This Agreement is effective as of January 1, 2023.

RECITALS

A. The BOCC and RFTA, collectively, the “Parties,” are authorized to make the most efficient and effective use of their governmental powers, responsibilities and monies by cooperating and contracting with other governments. Colo. Const. art. XIV §§ 18(2)(a) and (2)(b); Colorado Revised Statutes § 29-1-201.

B. In 2009, the BOCC and RFTA, together with seven (7) other governmental entities and local municipalities, entered into an Intergovernmental Agreement to set forth the terms and conditions of their cooperative provision, administration and funding of meal and transportation services to senior citizens and persons with disabilities of Garfield County ("the 9-Party IGA"). This 9-Party IGA is recorded in records of the Garfield County Clerk and Recorder at Reception No. 776142.

C. In accordance with the 9-Party IGA, in 2009 and each consecutive year thereafter, the nine parties have also entered into a Memorandum of Understanding that sets forth each party’s annual agreement to share administrative and operational costs of the Senior Programs meal and transportation services and the methodology by which those costs will be allocated among them (the “MOU”).

D. The Town of Parachute, an original signatory to the 9-Party IGA, opted out of the Garfield County Senior Programs for 2017. Colorado Mountain College has opted out of the 9-Party IGA. The remaining seven original signatories have agreed to continue such services and have entered a 7-Party Memorandum of Understanding for 2023. The 2023 MOU is attached to this Agreement as Attachment No. 6 and is incorporated for the purpose of explaining the cost methodology adopted regarding the 2023 transportation services (the “2023 MOU”).

E. Pursuant to the 9-Party IGA, the BOCC agreed to provide, through its Department of Human Services (“DHHS”), the contractual management of transportation services for the Senior Programs. (9-Party IGA, ¶ 6.) The BOCC fulfills this responsibility by, among other things, annually negotiating this Agreement with RFTA and by ensuring proper allocation of appropriate costs to the other municipalities in accordance with the MOU.

2023 RFTA Traveler IGA
F. The Colorado Human Services Code and the Colorado Older Americans Act authorize and encourage DHS to provide transportation services, such as the Traveler. The Colorado Older Americans Act encourages "agencies at all levels of government" to cooperate to administer programs and deliver services to the older population.

G. The transportation services provide ADA based services to the eligible senior citizens and persons with disabilities of Garfield County in accordance with this Agreement are provided by the Traveler bus system operated by RFTA (the "Traveler"). The Traveler also provides services that are not within the scope of this IGA.

H. Both RFTA and the BOCC desire to continue to provide transportation services to eligible Garfield County senior citizens and persons with disabilities in 2023 in accordance with the IGA and appropriate 2023 MOU.

NOW, THEREFORE, for and in consideration of mutual covenants and agreements set forth below, the Parties agree as follows:

AGREEMENT

1. Incorporation of Recitals. The foregoing Recitals are incorporated as if set forth in full.

2. Purpose of this Agreement. The purpose of this IGA is to define the responsibilities of the respective Parties with respect to the provision of transportation services to the eligible senior citizens, and persons with disabilities, defined below, of Garfield County.

3. Term of Agreement. This Agreement shall have an Effective Date of January 1, 2023 regardless of the date signed and shall terminate on December 31, 2023.

4. Transportation Services Provided. The transportation services funded by this Agreement are wheelchair accessible, curb to curb, driver assisted transportation services to Garfield County residents sixty-five (65) years old and older who have difficulty utilizing public transportation ("Seniors"). The Traveler also serves citizens under the age of sixty-five (65) with a functional disability affecting the ability to use public transportation. The Traveler provides transportation to destinations throughout Garfield County. In order to achieve the stated purpose, the BOCC specifically grants RFTA the authority to operate outside RFTA’s boundaries and within the unincorporated boundaries of Garfield County, consistent with the provisions of C.R.S. § 43-4-605(1)(f) as required to comply with this IGA. Riders must make reservations 48 hours in advance.

5. Contract Amount. The amount to be paid by the BOCC to RFTA in 2023 for the provision of the services contemplated by this Agreement is Five Hundred Sixty-Eight Thousand, One Hundred Thirty-Three Dollars ($568,133.00). This amount is based upon RFTA’s estimated cost to provide the services in 2023 less amounts received by RFTA from other sources who utilize
the Traveler bus system and less the cost to provide such services to the Town of Carbondale, the City of Glenwood Springs and the Town of New Castle, each of which is a member of RFTA. Amounts are projected and should they reflect a higher cost, those funds will be paid through the Restricted Fund Balance/The Traveler.

a. **RFTA’s Estimated Cost.** The Parties recognize that RFTA’s estimate of its costs to provide Traveler services is solely RFTA’s responsibility; the BOCC is not responsible in any way for verifying or assuring the accuracy of RFTA’s calculation. For 2023, RFTA estimates that its cost to provide these services is $771,023.00.

b. **Other Traveler Services.** The Parties recognize that RFTA’s operation of the Traveler by means of this IGA does not include funding for ADA complementary paratransit services in the City of Glenwood Springs. Funding for this complementary paratransit service is provided by a separate contract between the City of Glenwood Springs and RFTA, which RFTA represents to be $30,000.00 for 2023.

c. **RFTA Member Jurisdictions.** The cost to provide senior transportation services to RFTA’s member jurisdictions is calculated by the cost methodology set forth in the 2023 MOU, to which both the BOCC and RFTA are parties. For 2023, the total transportation cost attributable to these member jurisdictions pursuant to the applicable methodology is $172,890.00.

6. **RFTA Responsibilities.** In order to accomplish the purposes of this IGA, RFTA agrees to perform the following:

a. **Transportation Services.** RFTA shall provide and administer the transportation services described in RFTA’s Scope of Services, attached as Attachment No. 1, and Exhibits A - B thereto, which are incorporated here as if fully set forth, plus certain special events, which in prior years have included the Garfield County Air Show, Volunteer Appreciation Luncheon and a Holiday show.

b. **Vehicle Inventory.** RFTA shall purchase new vehicles as needed to maintain the Traveler Vehicle Inventory. Title to such vehicles will be held in RFTA’s name. RFTA will update the Vehicle Inventory as required by the addition and/or removal of vehicles, in accordance with paragraph 6(c).

c. **Vehicle Replacement.** In the event that any vehicle included on the Vehicle Inventory reaches the end of its useful life, RFTA shall either: (1) sell the vehicle by means of an advertised sealed bid and remit any proceeds of the sale to the BOCC; or (2) convey title to the vehicle to the BOCC by written agreement, at which time the vehicle shall be removed from the Vehicle Inventory. The Parties recognize the disposition of any vehicle must be in accordance with the rights of lien holders identified on the vehicle title.
d. **Vehicle Transfer.** Upon expiration of this IGA, if not extended by future agreements, RFTA shall transfer title to all vehicles listed on the Vehicle Inventory to the BOCC.

e. **Communication System.** RFTA shall continue to utilize its communication system for Traveler services.

f. **Donations and Contributions.** RFTA shall provide to the BOCC all fees collected and/or donations received for support of the senior transportation programs in accordance with Attachment No. 1, paragraph 4.

g. **Functional Assessment Assistance.** Traveler staff will do everything related to Functional Assessments. RFTA shall provide all intake and other information received from potential new clients who wish to apply for Traveler services to the BOCC’s Senior Programs Manager upon receipt and shall lead in the functional assessment process. RFTA will provide to the BOCC’s Senior Programs Manager monthly the number of potential new clients, out of assessments and applications pending.

h. **Monthly Financial Reports.** RFTA shall provide the financial and other reports detailed in Attachment No. 1 to DHS monthly. Such reports shall include, without limitation, a monthly report of all expenses attributed by RFTA to the transportation services made the basis of this Agreement. The Parties agree to identify a mutually acceptable format for performance and fiscal reporting.

i. **Annual Reconciliation Report.** In addition to the monthly reports, on or before February 15, 2024, RFTA shall provide a reconciliation report for the operation of the Traveler for the 2023 calendar year. RFTA’s obligations to submit a reconciliation report and return funds or request expenses shall survive termination of this IGA.

j. **Right to Audit.** RFTA shall allow the BOCC to audit RFTA’s books and records relating to the operation of the Traveler upon reasonable notice at any time during the term of this Agreement and for six (6) months thereafter. The audit shall be at the BOCC’s expense except for reasonable RFTA personnel costs. The BOCC shall provide RFTA with a copy of any audit report within thirty (30) days following receipt by the BOCC. In addition, if requested, RFTA will provide the BOCC with a copy of its annual audit within thirty (30) days of the BOCC’s request.

k. **Claim Notification.** RFTA shall immediately notify the BOCC, through the Senior Programs Manager, of any incident involving the Traveler and any claim or lawsuit made against the Traveler or RFTA in writing in accordance with paragraph 15, and shall cooperate with the BOCC in responding to all complaints, claims or suits. Passenger Complaints shall further be handled in accordance with paragraph 6 of Attachment No. 1. The Traveler handles all complaints and communicates the
outcomes to the BOCC’s Senior Program Manager after appropriate investigations have been completed.

I. **Funding Sources.** RFTA and the BOCC shall cooperate with each other to identify and apply for grants, donations, and other funding opportunities for both the purchase of vehicles and operational funding associated with providing senior transportation services.

m. **Cost Methodology.** RFTA acknowledges and agrees to the Cost Methodology related to the allocation of senior programs transportation services agreed to in the 2023 MOU, and included in the 2023 budget approved by the RFTA Board on December 8, 2022. If the actual 2023 costs exceed the budget, they will be covered by means of the Annual Reconciliation and True-up procedure as set forth in the MOU, or by the fund established after cost savings at the end of the year have been recognized.

7. **BOCC Responsibilities.** In order to accomplish the purposes of this IGA, the BOCC, directly or through DHS, agrees perform the following:

a. **Compensation.** For calendar year 2023, the BOCC shall pay RFTA the amount set forth in paragraph 5, $568,133 in eleven (11) monthly payments of $47,344.42 and one monthly payment of $47,344.38 beginning no later than February 26, 2023 and each 10th day of the month thereafter during the 2023 term of this IGA.

b. **Functional Assessment Evaluations.** Traveler staff will take over the Functional Assessments including mailing applications, scheduling assessments, and providing outcome data to the BOCC’s Senior Program Manager monthly.

c. **Training Assistance.** All training related to providing transportation to Traveler clients will be provided by RFTA supervisors.

d. **Funding Sources.** RFTA and the BOCC shall cooperate with each other to identify and apply for grants, donations, and other funding opportunities for both the purchase of vehicles and operational funding associated with providing senior transportation services.

e. **Complaint and Claim Cooperation.** The BOCC shall cooperate with RFTA to respond to passenger complaints and claims of which the County has been notified by RFTA in accordance with paragraph 6(l).

f. **Bilingual Literature.** The BOCC agrees to provide written information for distribution in both English and Spanish regarding the services provided by the Traveler.”

g. **Fuel Access.** The BOCC agrees to grant access to Traveler vehicles to the BOCC fueling stations by means of the Garfield County’s gas fueling system. All fuel costs
will be paid by RFTA, the expense for which may be credited to the monthly invoice amount set forth in paragraph 7(a).

8. **Definitions:**

   a. **Initial Pickup Location:** The initial pickup location for cost allocation purposes is the Municipality in which the first leg of a passenger's trip occurs, whether it is a round trip, a one-way trip, or a multi-legged trip. For example, if a passenger is picked up in municipality A to be transported to Municipality B and is later picked up in Municipality B for a return ride to Municipality A, the initial pickup location for cost allocation purposes is Municipality A for both trip legs.

   b. **One-Way Passenger Trips:** This represents vehicles transporting passengers one way from their origins to their destinations on any leg of their trips. This does not mean round trips or vehicle trips, since more than one passenger can be riding on a vehicle at the same time resulting in "X" number of one-way passenger trips.

   c. **Loaded Miles:** Loaded miles are the total distance driven while a passenger is in the vehicle.

   d. **Loaded Minutes:** Loaded minutes are the total duration of time while a passenger is in the vehicle.

9. **Termination.** Either Party may terminate this IGA upon a minimum of thirty (30) calendar days after the date of written notification by the other Party. Such termination may be with or without cause. Upon such termination, RFTA shall be entitled to compensation for operation of the transportation services provided prior to the date of termination. Unexpended funds shall be returned to the BOCC and all vehicles and equipment shall be conveyed or assigned to the BOCC, in accordance with paragraph 6(d).

10. **Indemnification.** To the extent permitted by law, the Parties shall hold harmless, indemnify and defend the other, including the other's employees, officers, agents, and assigns, from any claim, lawsuit or award of damages, to the extent such claim, lawsuit or award arises from the action or inaction of that party's officers, employees and agents. Nothing herein shall be interpreted as a waiver of governmental immunity to which the BOCC or RFTA would otherwise be entitled under C.R.S. § 24-6-101, *et seq.*

11. **Appropriation.** This IGA is expressly contingent upon appropriation and budgeting for the costs required herein. Should either RFTA or the BOCC fail to appropriate or have available sufficient funds to pay for the costs of the obligations set forth herein, this IGA shall be considered of no force and effect, except to the extent that the BOCC has tendered payment to RFTA as set forth herein.

2023 RFTA Traveler IGA
12. **Whole Agreement.** This IGA sets forth the whole agreement of the Parties. No representation, either verbal or written, shall be considered binding to the extent it is not set forth herein.

13. **Amendment and Assignment.** This IGA may be amended, altered, or modified solely through a written agreement signed by both Parties. This IGA may not be assigned without written agreement.

14. **Facsimiles and Counterparts.** This IGA and all documents required for performance may be signed in counterparts. Facsimile signatures may be substituted for originals on such documents.

15. **Notice and Identity of Administrators and Contact Persons.** Notices required under this IGA shall be in writing and may be hand-delivered, sent by receipted delivery service or certified mail, return receipt requested, postage prepaid, or delivered electronically to the addresses and authorized representatives, identified below. Any Party by notice so given may change the address to which future notices shall be sent, as well as the identity of the IGA Administrator.

a. Regularly maintain, and keep in a good quality, attractive, and safe condition all vehicles identified on the Vehicle Inventory list attached as Exhibit A and used in providing Traveler transportation services. In the event of mechanical breakdown by a vehicle which results in the removal of a vehicle from service, RFTA shall have a reasonable time during that same day within which to replace the affected vehicle.

RFTA shall maintain a program providing a reasonable opportunity for users of the Traveler to render complaints, suggestions, and comments concerning the Traveler. 8. **Transportation Services.**

   a. **Cost Methodology - Transportation:** The BOCC agrees to be responsible for fifty percent (50%) of the total budgeted cost to provide Senior Transportation Services in 2023. The remaining fifty
percent is paid for by grant and program funding income and allocated payments from the Municipalities based upon the fully allocated cost of providing services considering the total number of trips, total Loaded Miles, and total Loaded Minutes consumed by each Municipality. Costs will be considered allocable to a Municipality based upon the Initial Pickup Location as defined herein, regardless of the number of trip legs or Municipalities visited by the passenger. RFTA agrees to be responsible for the fully allocated cost of the transportation services provided to the three Municipalities that are current RFTA members: the Town of Carbondale, the City of Glenwood Springs, and the Town of New Castle. The remaining non-RFTA member Municipalities, the City of Rifle and the Town of Silt agree to pay the fully allocated cost of transportation allocable to their municipalities. The BOCC agrees to be responsible for any remaining transportation costs, including any shortfalls in anticipated grant and program funding income.

b. 2023 Budgeted Contributions: As illustrated in Attachment 2, the total budgeted cost to provide Senior Transportation Services in 2023 is $776,380.00. This cost represents the costs to the BOCC and to RFTA to provide such services in the amounts of $35,357.00 and $771,023.00, respectively, less the amount of $30,000.00 received by RFTA from other sources who utilize the Traveler bus system pursuant to a contractual agreement that is unrelated to this MOU. The BOCC’s 50% share of this amount equals $311,757.00 plus the 2021 applied RFTA refund from 2021 totaling $76,433.00 totals $388,190.00. Anticipated grant and program funding income for 2023 is $78,494.00 for a total of $466,684.00. in contributions from the county and from grants and program income.

c. Allocation of County Contribution and Grant and Program Income: The County’s contribution, inclusive of its 50% commitment and anticipated grant and program income, shall be allocated first to the cost of rides originating in unincorporated Garfield County. Any remaining balance shall be allocated on a pro rata basis relative to each other party’s fully allocated cost.

d. Estimated Contributions: The following estimates are offered to aid the Municipalities in planning and budgeting for their portion of the Traveler costs. The amounts shown are based on the 2023 budgeted amounts identified above and a forecast of ridership and services levels for 2023.

e. **Monthly Billing**: RFTA will pay directly for the full allocated net costs attributable to its member jurisdictions and each of the remaining Parties will pay the County the amount shown on their respective lines in the Chart above.

f. **Annual Reconciliation and True-up**: No later than February 15, 2024, RFTA will publish a reconciliation statement.
